

optional part

This diagram shows five optional parts for the water pump assembly, each in a separate box. The parts are labeled with red numbers: 101 (a circular filter), 102 (a rectangular filter), 103 (a wavy filter), 104 (a comb-like filter), and 105 (a vertical frame). The frame 105 is shown with two additional components, 106 (a small rectangular piece) and 108 (a larger rectangular piece), which are shown in separate boxes to the right of the frame.
